

Recreational area rules (outdoors):

Students are allowed to go outdoors on to the school play area or indoors at the ping pong areas only under teacher supervision. Going off the school property is not permitted. Students who are playing or having a lesson outside are required to listen to teachers' instructions.

Students should use the recreational equipment only in a way that it is designed to be used:

- Students should finish eating before starting to play;**
- Students should stay in the playground area and may not reenter the classroom without permission from the teachers on duty or class teacher;**
- Students who use school equipment are responsible to return it to the proper storage place after break;**
- Students are not allowed to bring their own sports equipment from home;**
- There will be no pushing, wrestling, “play fighting”, or jumping from the top of any playground equipment;**
- Students are not to sit on tables**
- Students are not to climb the hill opposite the entrance wings of the various sections of the school building;**
- Students will stop playing and return to their classrooms when the warning bell sounds at the end of the break or when the teachers instruct students to do so.**
