The school bus is arriving to the school before 8:30 AM and is leaving the school at 3:00 PM (Monday to Thursday) and at 2:00 PM on Friday. If parents decide that their children will not attend their scheduled club for any reason or will have extra class after school, responsibility for collection and transportation of children will fall on the parent. I understand that it is forbidden for students to eat and drink while in the school bus, and I will remind my child of this rule. If my child damages the school bus by eating inside, I agree to pay for the cleaning. I will also inform my child that it is Czech law to use seat belts in the vehicles of category M2 and M3 (bus). These vehicles are equipped with seat belts and must be worn. If the seatbelt of my child is not fastened and an injury occurs during transport, I, as parent or guardian, will take full responsibility. I agree that if my child misbehaves in the school bus, Meridian will find a guardian for him/her to ride the school bus with my child as a supervisor starting the day after I am contacted about the problem. Simultaneously, I agree to pay additional fees for my child's supervision charged by Meridian International School. I accept that there will be cameras placed in the school bus for recording the misbehaviour of children. These records can be used by Meridian International School as proof to children, parents and third parties. Meridian International School reserves the right to exclude any child from the school bus transport due to the repetitious of breaking rules on the school bus. It will be then the parents' responsibility to find transportation for their children to the school.
